LOSS, THEFT & REPAIRS

All instances of loss, damage or theft must be reported to the College ICT Support personnel as soon as possible during term time. During non-term time students are to contact the college office.

In the event of a hardware malfunction a report must be made to the College as soon as possible for warranty repair to be organised.

Devices with problems covered by warranty will be repaired as soon as possible at no cost to parents/carers. Necessary repairs that fall outside the warranty conditions will be completed at an escalating cost to parents/carers:

- First incident - 50% of repair or replacement cost
- Second incident - 75% of repair or replacement cost
- Third incident - 100% of repair or replacement cost

Loss or theft of a device will incur a fee of 80% of the College's replacement cost which includes operational and licencing costs. Any subsequent loss or theft would incur 100% replacement costs to parents. Parents and Care Givers should check to ensure that the device is covered under personal Home and Contents Insurance.
